

ThinkSpace Education Mission and Values Statement

Date: 10 June 2026

Last amended by: Tim Johnson

1 Our Purpose

- 1.1 We offer our students the opportunity to fulfil their creative potential, through innovative, effective, sustainable, and accessible online education. We bring together students and working creative professionals to help them to achieve their goals through industry-focussed, online postgraduate education.

2 Our Values

- 2.1 To help students find a unique voice and a distinctive creative personality that can enable a successful and fulfilling creative journey.
- 2.2 To encourage and facilitate wider participation and greater diversity both within TSE and the creative industries we serve.
- 2.3 To put students' well-being and success at the centre of our decision making.
- 2.4 To focus on the needs of industry and employability to support our students as they develop long and successful careers.
- 2.5 For everyone in our community to interact with integrity, honesty and mutual respect, promoting a spirit of cooperation, collaboration and mutual support at all times.
